Word from Our SG

Honorable Partners,
Distinguished Delegates and Chairs, Dear Friends and Guests,

After postponing the conference 2 times due to the pandemic,
PIMUN is finally back!

Organizing PIMUN 2022 is a 3 years' worth of work by students like you. I would like to start by thanking them all for their hard work and commitment. Together we have done our utmost to create a distinct and enjoyable experience for all participants.

This handbook is aimed at providing you with all the logistical information you may need. If some of your questions remain unanswered, our whole team will be more than happy to help. PIMUN 2022 will be one of the most international editions of our conference as it will gather more than 200 students from more than 30 countries: such diversity will surely enrich both committee sessions and informal conversations between our participants.

We are all looking forward to welcoming you to PIMUN 2022,
Sincerely yours,

Georgina Lukovic, Secretary General for PIMUN 2022
